SUMMARY OF CHANGES

SECTION A - SOLICITATION/CONTRACT FORM

The following have been added by full text:

The purpose of this no cost administrative modification (P00011) is as follows:

1. To implement a block change incorporating Class Deviation 2020-O0010 in response to COVID-19. Per this Class Deviation, the progress payment rates at Defense Federal Acquisition Regulation Supplement (DFARS) 232.501-1 are increased to 90 percent for large business concerns and 95 percent for small business concerns. This modification incorporates the following actions:

a. Use 52.232-16, Progress Payments (DEVIATION 2020-O0010), in lieu of the clause at Federal Acquisition Regulation (FAR) 52.232-16.

This modification does not create retroactive changes to the distribution/payment instructions. Adjustments to distribution are prospective following the modification date and are not applicable to previously disbursed payments.

This modification is not applicable to Delivery Orders (DOs) with alternate liquidation rates or those in a loss ratio.

DOs previously ineligible for progress payments remain ineligible for progress payments.

Except as provided by this modification, all other terms and conditions of the contract remain unchanged and in full force and effect.
